A MESSAGE FROM JULIE PALMER, OUR NEWEST BOARD MEMBER

It has been my great pleasure to play flute/piccolo with the Masterworks Orchestra regularly over the last three years, first in the Verdi Requiem and most recently in Mahler Symphony No.2. Recently I also had the privilege of joining the Oakville Chamber Orchestra to perform a lovely piece by Richard Strauss.

When I am not busy with my day job at Bombardier Aerospace I also serve on the Board (and perform with) Silverthorn Symphonic Winds - a Thornhill based, auditioned group for those who want to play advanced band repertoire at a more demanding level.

I am very happy to be the orchestra representative on the Masterworks Board, it looks like there are some exciting years ahead!
